

Print it, bind it – easy and at a profit!

New perfect binding line for your products using conventional hot melt or PUR glue.

Dear business partners,

we would like to inform you that our company has started **operating a new line for producing perfect binding Kolbus**. We **can create** products at the highest level of quality for you, including **magazines, manuals, textbooks, books, brochures, catalogues, guide books** and more. Books are **bound using conventional hot melt or PUR glue**. All of these options allow the bindings we produce to hold up to the **most stringent demands for quality** – and we're certain you'll come to the same conclusion. Along with the launch of the new line, we're also offering **special introductory prices that will certainly please you**.

Simply contact us and we'll take care of your order.

We look forward to working with you.

Print it and profit!
